

We fabricate and supply reinforcing steel — from a residential driveway to a 3,000-ton high-rise.

Women-owned rebar supplier and fabricator in Freeport, NY. In-house fabrication shop, stocked yard and our own trucks serving Long Island, New York City and Connecticut.

CORE COMPETENCIES

Rebar Fabrication

Cut and bent to shop drawings: straights, bends, stirrups, ties, hoops and radius bars. Tagged by pour and location.

Large & Small Projects

High-rise, commercial and public work down to footings, slabs and driveways. No job too big or too small.

Rebar Supply

Black and epoxy #3-#11, Grade 60 and Grade 80, stock lengths. Mill certifications on request.

Delivery & Pick-Up

Scheduled delivery to the jobsite across Long Island, all five boroughs and Connecticut, or pick up at our Freeport yard.

WHY RC SUPPLY

- Certified women-owned business, helping you meet M/WBE and WOSB participation goals
- Fabrication and supply under one roof: one order, one delivery
- Fast turnaround from a stocked yard
- Our own trucks and drivers
- Fair pricing and responsive service
